Personally appeared before the undersigned, a Clerk of the Circuit Court of Ohio County, West Virginia, HENRY MICHEL, a citizen of the City of Wheeling, Ohio County, West Virginia, who being first duly sworn says: That he has known Peter Erb for many years; that at the time Mr. Erb obtained his naturalization papers as a citizen of the United States I was his witness before the Judge of the Municipal Court of Wheeling and qualified to my knowledge of his residence in the United States during the period required by the Acts of the Congress of the United States and to such other questions as was then propounded to me by the said Judge, and was then present when the Judge admitted the said Erb to be a citizen of the United States and accompanied the said Erb to the Clerk's desk where Mr. Erb obtained the certified copy of the order of the said Court admitting him to be a citizen of the United States, and then supposed that the Clerk of said Court knew or was advised of the proper way of spelling his name, and did not know that any error had then been committed in spelling the same until this time; that the date of the paper in his possession: September 20th, 1866, corresponds with my recollection of the time I was such witness as here stated. I have known Mr Erb ever since, and know that he has been recognized as a citizen under the admission then made by the said Court and his rights thereunder have never been questioned.

Dear Sir:-

Mr. Fred Rosenbush, a client of ours and whom we have known for a number of years, is desirous of going to Europe, sailing on the 12th of this month, and we have prepared the attached application for a passport, and desire to say in explanation, as is shown on the application, that he cannot procure a certificate of naturalization because, as he recollects it, when he went over in 1878 he sent an application to the Department of State at Washington and enclosed the certificate with it, and he is not sure whether it was ever returned or not, but, if returned, he has been unable to find it. He does not remember whether the Probate Court or the Common Pleas Court issued the naturalization papers to him prior to his going abroad in 1878 or not, but there is no way of getting a duplicate or a copy issued because, as you are aware, the records of our courts were destroyed by the court house fire in March, 1884, and he can make no application to either court to restore the record because he does not remember which court issued it to him. Under these circumstances we trust there will be no difficulty, under his sworn statement as to these facts, in having a passport issued to him and sent in time to his steamer, as requested in the application hereto attached.

We enclose you one dollar fee for same.

Very truly yours,

Harmon, Colston, Goldsmith & Hoady
